My dear Miss Lena

I cannot come and enquire  
after Miss Eden to day as I  
should like to do and therefore  
I trouble you with this line  
to say that I hope the exertion  
she made in meeting the guests  
yesterday evening is not  
causing her unwellness

position to day - if you

be very kind in you to let  
me have our little line to  
say Miss Eden is now the  
word for her friends - it's  
something to be able to say  
that - I remain dear Mrs  
Luce

Yours very truly  
Henry Luce
