My dear Miss Stretcher:

Your warm-hearted  
letter inclines me to  
continue as ever pres-  
ent - at whatever cost  
I will take of  
this when we meet.

I should like to  
see the new office,  
would Thursday  
Jan 24, about 4 pm  
be any good? This  
seems to be my  
first free time.

Will you note my  
tel. no - Victoria  
3800, Ex. Beauty 206:00  
ring before 10.30  
am. To be sure of  
getting me. <sup>warmest regards</sup>  
Ethel Snowden
