Dear Miss Strachey.

I understood that your
Society has the signatures to the W.S.
Appeal. Might we have access to them so
that we can send a circular about this
meeting to all in the London district
who signed?
If you Com^{tee} decide to allow us to send
circulars to your members perhaps they
would like a member of your Com^{tee}
to come on to our Arrangements Com^{tee}
Yours sincerely
E. S. Roper

Dear Miss Strachey.

I enclose a notice of the meeting this Com^{tee} is arranging in the Queen's Hall on Nov 17. We are very anxious to know whether your Com^{tee} will allow similar notices to be sent to the members of your Society; ^{to your London Branch Society} either by allowing us the use of your lists or by having the circulars sent out from your office, at our expense or by any other way. It is very important that the meeting should be a success, especially at this juncture, & it has been carefully arranged so that it should not clash with any of yours. We should also like to know

whether it would be possible for us to have
some of the professional & trade banners
that were carried in the procession
for use on the evening of Nov 17.

I am.

Yours sincerely.

E. G. Roper.
