Dear Mrs. Murby

I want to congratulate
you on the stand you made
for votes for women at the
International Socialist Congress.
I learn from women who
were there that you made a
good fight for equality
in face of great opposition

I don't know if you ever
Come to our Monday "at-
Home" here in the office.

If not I hope you will
give us that pleasure soon
I shall not be here next
Monday, but I am sure
M^{rs} Lawrence & my daughter
will be very glad to see
you if you can come

Very truly yours

Emeline Packhurst
