N. W.

Dear Mr. Christy

I'm writing you about  
lecture on — 1908 was  
my great journey when I  
was the only English person  
who had been all thro'

Albernia. Now the land  
is all over run with  
correspondents & trappers  
& has lost its interest.

I don't know if I shall be  
in London next winter +  
if I do lecture I shall only  
be doing it for charity & should  
want to collect money which  
at the sort of places you  
book for, cannot be done.

I got £130 by a  
lecture to this day.

Yrs sincerely

M. E. Deane
