

Women
come
to

GREENHAM

SATURDAY
DECEMBER
14th

Six years ago NATO
decided to site
Cruise Missiles
in Europe.
Two years ago
the first missiles
arrived at Greenham.
Women are still
protesting.

WIDENING the WEB

come if you've ever been.
Come if you've never been.
Bring a woman who hasn't
been before.
Bring banners,
messages, candles.
Link with women's
struggles
worldwide...

GATHER
TO SHOW THAT
CRUISE MISSILES
ARE ONLY A PART OF
THE NUCLEAR CHAIN . . .
SO ARE UNEMPLOYMENT,
RACISM, POVERTY, BAD HOUSING,
POLLUTION, HEALTH CUTS, VIOLENCE
AGAINST WOMEN, RAPE, TORTURE,
STARVATION . . .
