

I have made a great muddle  
 over Dr. Anderson's things.  
 She intended her mangle to  
 post Chyned all the synach-

 also for Dr. Murray & five  
 Dr. Anderson wrote to me  
 & I did not answer, she was  
 a kind laboring person. She  
 had not received them -

 to get them back - If I do  
 not go to Court tomorrow  
 there is a chance they'll  
 get them through.

messages to go through - I  
found out that the lady  
who he asked to go into

had written about her.  
I am quite comfortable  
but still you know

work to get something  
done - The Governor had  
been sent away another  
appointed - but those not  
own turn - if we ask for  
the Governor we see the

Doctor James told  
goodbye my darling.  
It is not for long &
