Dear Mrs. Bedford Phillips

I have just arrived

in England via Siberia

and have brought me copies

of accompanying

Home Life of Chinese Women

135 BENTON STREET
W-3

with me, as we think it
full of interest in (Chici).

Should you care to have

two copies put in

file at Grosvenor Club.

It must be 1 each.

Lady Blakes speeches

are splendid.

I hope the Club flowers

Yours sincerely
