20, CRAVEN TERRACE,
LANCASTER GATE,
W.

Dear Mrs Strachey

At our Finance
Committee this afternoon
it was unanimously
agreed that for these
last three months it
was quite impossible
to keep to the arrange-
ment that you would
give half time - I have
a cheque in proportion
They therefore understand

me to send you enclosed
Cheques feeling at
the same time that
it is a perfectly ridicu-
lous recognition of
all you have been
doing day in, day out.
They feel that without
your efforts the Society
would simply have

fallen to pieces.

It is impossible to
express what I & the
other members feel
in the unending

gift of your time &
thought, and how
deep our gratitude
is to you for it.

Yours sincerely
Beatrice Crane
