Dear Miss Hill

I am so sorry you

had all this trouble about

altering your sketch.

I had a talk with Miss Jorden

on the phone this morning.

I asked her if it was possible

to cut it down to 15 or 20  
minutes as we have a very  
long programme, & the  
theatre insists we must  
finish by 5.15.

You are due on now at  
4.50. There are only two other

short sketches & I have had  
to put them on very early as  
they are both going on to  
play at another machine  
or I would have put you on  
earlier. I will see all about  
your properties.

In haste.

Very Sincerely Yours

Anna Loh
