Dear Miss Palfrey

Just received  
the Women's Suffrage  
journal - I did not  
receive the last I thought  
it had stopped because  
of Tribune - You do  
not say anything of  
my lecture to the  
Women's Liberal Club  
of Gloucester Oct 16<sup>th</sup>  
or to the Suffrage

Society (Chatterhouse  
on Oct 17<sup>th</sup> - Both  
crowded & successful.

You have not had  
time to note my  
lively & delightful  
experiences in the month  
so badly reported by  
Tribune, which have  
filled a column in the  
Lancaster papers daily  
ever since - Excuse haste  
as I am hurrying out - Yours  
Charlotte C. Stopes
