My Lord

I beg to acknowledge
£25 towards the fund
for the expenses of the
Middle class female
Emigration which shall
be entered according
to your lordships
directions.

At present I have

To the Right Hon^{ble} Lord Shaftesbury

received nearly £200
which will pay I hope
for Miss Poy's journey
but I hope to get £400
before I leave town
as it is hardly fair
for me to induce her
to give up her business
unless I can insure
her at least 2 years

livelihood in advance.

The Columbian Female
Emigration Society are going
to put their affairs into
Miss Poy's ^{hands} and the
~~benefits~~ proceeds of
this orator's the programme
of which I enclose will
will be given to her.
Of course this fund
will not in any way
assist mine which
I carefully keep

apart, in fact as far as
the Funds of the Female
Emigration Society are con-
=cerned Miss Pyle will con-
=tinue to work gratuitously
as heretofore & as the 2
other ladies in the same
office are doing.

We have received £10 from
a girl sent ~~to~~ Australia
less than a year ago - this
is a good sign & has caused
much rejoicing among us

I am very fond

Your fond & loving oblige

Barbara L S Boddison
