Nov 12

Dear Miss Fraser,

I am enclosing an letter in which Mr. Catt  
pressed me to come over to help them in the  
U.S.A. I hope this will answer your purpose.  
When I said I could not come she wrote again  
asking me to find some <sup>other</sup> lady who could speak.  
This is the letter that I sent you a sheet of: what

with your USA Consulate at that time.  
M. G. Fawcett  
is very sincerely  
has become of the other street. I do not know: it may possibly  
be in an office. If you have any further difficulty  
I could come with you to the USA Consulate & testify.  
Mrs. Calk's residential address is 2 West-86<sup>th</sup> Street  
New York. I once had the honour of meeting D:  
Pags in the USA Ambassador and I am willing to  
go to him if further obstacles arise; but I hope they will not.  
I am afraid you will have a dreadful rush to get off  
by the 20<sup>th</sup>. At 12 noon on Wednesday I have to introduce  
a delegation to the Home Secretary; so do not ask me to go
