EASTNOR CASTLE,  
LEDBURY.  
February 5th. 1898.

Dear Mrs Harvey :

Thank you very much for  
the kind letter you sent to me.

During my enforced retirement it  
will always be a consolation for  
me to remember the kind words and  
loving sympathy which have come  
to me from those who, like your-  
self have always been trusted and  
esteemed comrades. My thoughts  
and prayers will be unceasing  
for success and blessing on our  
work.

Yours in the best bonds,

Havelson
