Dear Miss Ridley,

Can you recommend me  
any ladies' school? A friend  
has asked me to tell her of  
one with a small number  
of boarders (between 20 & 30),  
no day pupils and where  
instruction could be obtained of  
an advanced kind. She heard  
that there was such a school  
in Belvedere Park so I thought  
of asking you; but the  
neighbourhood does not signify

except that it must not  
be Brompton.

With apologies for troubling  
you and hoping you will  
not take the trouble to write  
unless you happen to have  
a suggestion to make, I  
remain,

Yours Obedtly  
Elsie Bruce
