Tuesday, 21.

Dear Lady Coleville

If I recollect rightly, it was after the 7th March that you wished me to fix a day for dining with you. Will Friday the 10th do? I could also come on the 9th, but I am not sure, whether this is not one of the days, that you said would not suit you.

With kindest regards to you and Sir James, I remain
Dear Lady Coleville

yours very truly
Joseph Jackson
