CAMPDEN HILL.W.

March 30th.

Dear Lady Colville!

I am sorry to say that I made a mistake the other day, when I told you I was free on Saturday the 3^d, and I only hope you have not yet taken any step about the theatre, you so charmingly proposed.

Looking forward with the utmost pleasure to the 2^d, I remain,
Dear Lady Colville,

ever most sincerely

Yours

Ernest Poachon
