Dearest Mother

I know you will be pleased

to hear that we are to go to Paris

other our hospital is to be

Claridge's Hotel on the

Champs Elysées. We are

to start on next Tuesday

morning. It is a great

I wd be an immense comfort
to my mind if you wd arrange
to have Gladys at Elide House
until Xmas - I think it wd suit
her to come - & you wd find her
quite an agreeable companion
I will be dull for her alone - If you
asked her to come it wd be a temporary
arrangement until her boys return
at Xmas. & you wd pay her at the
rate of £100 h.a.

Synonymy on the part
of the military authorities as a
week ago we were told that
wherever we went it wd. be
be Paris. Our equipment

& personnel are practically
ready & yet there seem to be
an endless number of details
to attend to. We are just
recovering from our second
typhoid inoculation!
Much loved & cared for
