

# IDEAL HOME....?

In the event of a Nuclear War the government advises you to whitewash the windows of your home to reflect heatflash\*. Do you really think this would "protect" you from thermo-nuclear explosions many THOUSANDS of degrees in temperature?

\*(from gov't pamphlet — "Protect & Survive")

Your only real protection from nuclear war is to

OPPOSE ALL

NUCLEAR WEAPONS

7 JAN 5/36

# IDEAL HOME...

In the event of a Nuclear War the government advises you to winterwash the windows of your home to reflect heat\*<sup>\*</sup>. Do you really think this would protect you from thermal nuclear explosions many

THOUSANDS of miles  
 in temperatures  
 THE IDEAL HOME?

Your only real protection from nuclear war is to  
 OPPOSE ALL  
 NUCLEAR WEAPONS
