Dear Madam.

Many thanks for securing Mr. Reeves
to speak at the Drawing Room Meeting on
Thurs. April the 2nd. at Gosham. Mr. Jeffrey
Nightingale of Wymering Manor is lending
her house for the occasion, & most of the ~~most~~
influential people in the neighborhood have
promised to come. I am writing to ask
you should they prove really interested in the
subject whether it w^d be possible to form
a County Branch for S.E. Hampshire?
We cannot induce the County people to go
into Portsmouth to attend meetings
& I think if they w^d form a Committee
amongst themselves they might really take
it up seriously.
I have written to Miss Smith (Sec. Port. Branch)
on the subject, & she is of the opinion it w^d
be advisable - Believe me
(Mrs.) Jeppine
Truly
Davies

To
 Miss Palliser.
