

My dear Sir

I shall read with  
much interest, I hope  
on Sunday next, the  
note - you have kindly  
sent me.

I am gratified by your  
favourable opinion of

my paper and I  
send you a copy of  
the March Number  
with the concluding  
Section which however  
contains principally of  
extracts from the work -

I remain

Faithfully yours

W. Meddstone

11 Beaufort Terrace N. 28. 68.
