Wednesday 1 Taviton St  
[Dec. 26] 5103

Dearest Pippa

Margery has just told  
me about Pernel. I feel very  
sad and would like to write  
you a word of affection who  
must be more sad than I.  
What goodness sweetness  
and eminence she had.

I expect that you are  
very exhausted. I hope  
you will take care of yourself.

Your loving

Duncan.

By hand

Duncan
