Dear Mr. Franklin

It was lady Campbell who suggested that I should speak on "Family life after the school age" that I think was her title; she seemed to wish that specially & I agreed. - I think I would rather do that than speak about history books at

present. - I have not been teaching  
History lately so that the subject  
would not come fresh to me;  
& the other subject is constantly  
forced before my thoughts. -

What I should however like  
really better would be to speak  
on "How purity teaching can best  
be given". I feel that this idea  
of the necessity for purity teaching  
is everywhere abroad, & people  
- are always discussing it, &

desiring light on the subject. I  
don't mean to imply that I can  
give light, but I can suggest sub-  
jects for thought & discussion -

However it is quite possible  
that you may not consider the  
subject suitable for your conference  
so I leave it to you, you will know  
the feeling of your members. -

The time you suggest 10.30 at  
the Portman Rooms on Oct. 29  
will suit me very well  
Yours truly  
Louise Creighton
