## Annual Report.

THE Glasgow Society for Women's Suffrage, although temporarily suspending all Party Political work at the outbreak of War in August 1914, and undertaking the relief of distress at home and abroad, has in no way relaxed its efforts, and in presenting the Thirteenth Annual Report your Committee are glad to be able to state that the Society is still in a vigorous condition. The past year has been a strenuous and anxious time for all, and your Committee take this opportunity of thanking the members for their co-operation and generosity. Although many of the members of the Society have been engaged in forms of war work in connection with other bodies, there has been no difficulty in finding helpers for the various schemes undertaken by the Society.

The Membership of the Society now stands at 1300. From a financial point of view, the Society has reason to congratulate itself, the Hon. Treasurer's Statement showing receipts amounting to £4286 17s. 7d. Of this sum, over £3790 were contributed for Relief work. Several months after War broke out, your Committee found themselves in a somewhat difficult position, as, although it was necessary to maintain an office and staff to carry on the Relief schemes, very little money was forthcoming for this purpose. To meet this difficulty, a special appeal was made to some of the members of the Society, and to this appeal a very generous response was made.

After the recall, at the end of April, of Miss Knight, who had been lent to this Society as Organizer for six months by the National Union, the Executive Committee decided to delay the appointment of a successor in the meantime; the office staff was also reduced by one. It will be seen, therefore, that every effort has been made to cut down expenses without actually hampering the work of the Society.

The fact that the empty premises adjoining the office, which had been at the disposal of the Society rent free, for the past thirteen months, were about to be let at the November term, made it necessary for your Committee to consider the question of securing them. On an intimation from the President of the Townhead Division of the Soldiers' and Sailors' Families Association that her Association would gladly pay a rent for the room of which they had had the free use as an office during the past year, it was decided to rent the lower flat for one year. Thus instead of being able further to retrench, your Committee have been obliged to incur an increase of expenditure in this direction; but in this they feel justified, as, with the amount of work at present being undertaken by the Society, it was felt that it would be impossible to return to the former conditions. It will be seen, therefore, that funds for the ordinary expenditure of the Society are more than ever necessary, if the Office and Staff are to be retained to carry on the important Relief schemes now in full working order. These Schemes are as follow:—

### THE EXCHANGE FOR VOLUNTARY WORKERS.

The Exchange has become a useful and well recognised Centre in Glasgow, and besides being used as an Information Bureau and a Receiving Office for Comforts of every description, it justifies its original purpose by supplying voluntary workers in response to all kinds of applications for help. There are 751 names on the Register, and many workers have been supplied to the Soldiers' and Sailors' Families Association, The Red Cross Society, the Charity Organization Society for Bank Collecting and Clerical work, the Belgian Relief Committee, Canteens, &c. It has been gratifying to receive letters of thanks from various bodies, among others from the National Union of Women Workers, and the British Women's Temperance Association, both of which expressed warm appreciation of the enthusiastic and capable workers supplied by the Exchange for their Canteens in Munition Works in Glasgow.

In response to a letter to the Press sent out from the Exchange, 3012 Sandbags for the Troops were received at

the office, were packed in seven large bales and forwarded to the proper quarter. Many donations of goods have also been received for the Troops, Sailors, Minesweepers, Belgians, and the Scottish Women's Hospitals. The Exchange is indebted to Messrs M'Lean & Linn for packing the sandbags free of charge, also to Messrs Robert Hamilton & Son, for the packing and despatching of a large consignment of goods for the Scottish Women's Hospitals.

On various Flag Days, rooms in the office have been put at the disposal of the Convener of the Central Division, as a Flag Depot, and many sellers have been supplied.

*Work Depot.*—As there is little unemployment among women at the present time, there has been little necessity for the depot, only a few women now being supplied with work.

### INFANT WELFARE CENTRE.

As reported last year a Sub-Committee undertook to carry on the West Govan Branch of the Infant Health Visitors' Association, but owing to various causes it was not until January, 1915, that the work was begun.

The Committee are indebted to the Trustees of the Pearce Institute for placing the Institute at their disposal, which enabled the work to be carried on under the most favourable conditions.

It would be impossible to find more ideal premises or a more hearty welcome than that extended by Miss Leith, the Superintendent, and from the first the consultations were successful. The Committee would like to take this opportunity of publicly thanking Miss Leith for her invariable courtesy and for so generously giving the use of her beautiful private sitting-room for the weekly consultations and for the monthly Committee meetings.

When the work was begun the Queen Margaret College Women's Suffrage Society kindly undertook a play room for the "toddlers" without whom the mothers cannot come, and the Committee desire to thank them for this valuable help.

Tea is provided for the mothers on each consultation day, Miss M'Laren being responsible for this part of the work.

In June, the Committee gave a tea-party to the Mothers, when over two hundred were present and a happy afternoon was spent.

Unfortunately the Pearce Institute is not available this winter, as it is being used in connection with the War, but the Charity Organization Society has kindly placed two rooms at the disposal of the Committee. Owing to the fact that no other room is available the Committee have been reluctantly obliged to give up the play-room meanwhile.

There are at present 18 Visitors and 144 babies.

### "CHEER UP" CLUBS FOR SOLDIERS WIVES.

These Clubs were organised in November 1914. Weekly Clubs were opened in the Maryhill and Woodside Divisions of the Soldiers' and Sailors' Families Association, as well as a daily Club in the Gorbals Division. The weekly Clubs proved very successful and were well attended; but unfortunately the daily Club was not so well patronised, although the Club Room in Eglinton Street was exceedingly comfortable and cheerful, many gifts of furniture, crockery, etc., having been sent by members of the Society and others, to whom special thanks are due. Cooking and Sewing Classes were held once a week, and these were well attended. The Organizing Committee considered that the comparative failure of this Club was due to the choice of the locality, and after some time they decided to open a weekly Club in a more suitable locality in Gorbals, which finally took the place of the daily Club in Eglinton Street. This Club proved most successful, the women turning out in large numbers.

It was with much regret that the Organizing Committee learned that the National Union required Miss Knight's services elsewhere, and in the end of April she left Glasgow. The Committee desire to express their appreciation of the successful manner in which Miss Knight organised the Clubs. A Clubs' Committee was then formed consisting of members of the Glasgow Society and members of the Soldiers' and Sailors' Families Association, with Dr Jane Robertson as Convener. During the summer months the Clubs were closed, but were re-opened in September.

The weekly Club in the Woodside Division meets in the Students' Settlement, Possil Road, and is in charge of the Misses Nisbet, Mrs Graham Kerr, Mrs Bryce, Miss Neilson, and others. There are 135 women on the roll, with an attendance of 90 to 100 each Tuesday evening.

The Gorbals Club meets in the St. Mungo's Hall, South York Street, with Miss Ritson, Miss Porter, and the Misses M'Kay in charge. Here there is an attendance of 130 to 140 each evening.

By the kindness of the Rev. William Miller, the Maryhill Club now meets in Ruchill Church Hall on Thursday evenings, and is carried on by Miss Brown and Miss Farquhar, and other members of the Maryhill Soldiers' and Sailors' Families Association. The usual attendance is from 120 to 130 women. The charge of one penny to each member includes tea and a bun. Lectures and Musical Programmes are much enjoyed at all these Clubs, many of the women contributing songs themselves.

In addition to these weekly Clubs, a daily one was opened, in October of the current year, in the Woodside Division. The thanks of the Society are due to the Hon. Mrs Campbell, President of the Woodside Division of the Soldiers' and Sailors' Families Association, who made it possible to open this Club by collecting the sum of over £74. This sum she handed to the Glasgow Society, which holds itself financially responsible for all the Clubs. A Committee was formed representing the Glasgow Society, and the Woodside Division of the Soldiers' and Sailors' Families Association, with Mrs Campbell as Hon. President, Miss Snodgrass as Convener, Mrs Craig Robertson, Vice-Convener, Miss K. W. Lindsay acting as Organizing Secretary. Convenient premises were secured at 342 New City Road, and after considerable alterations were converted into a delightful Clubroom, with kitchen, children's room, and writing room attached. The furniture and fittings, etc., formerly at the Eglinton Street Club, were utilized, as well as many additional gifts kindly sent by members of the two Societies. Arrangements were made for the first ten weeks, the Soldiers' and Sailors' Families Association making themselves responsible for seven of these, and the Glasgow Society for three. Two ladies are

present each afternoon and evening. Members pay two-pence per month, and light refreshments are supplied at a trifling cost. The Club is open daily (except Sundays) from 3 till 9.30, with a Lady Superintendent in charge. Musical entertainments, lectures, etc., are much enjoyed by the members. The attendances are steadily rising, the largest number recorded for one week being 202. Practical cooking classes are held once a week by two of the students of the College of Domestic Science. The Society is also indebted to Miss Melvin of the College of Domestic Science for a contribution of cooking utensils. Sewing Classes in charge of Mrs Hepburn Smith are also held. To these the women are asked to bring their mending or material for cutting out.

The Committee of the Glasgow Society take this opportunity of thanking the Soldiers' and Sailors' Families Association in the different Divisions for their hearty co-operation in the work of the Clubs.

### SCOTTISH WOMENS' HOSPITALS.

It was not until May of the present year that the Executive Committee definitely decided to undertake work on behalf of the Hospitals. It had been felt for some time previously by individual members that this was work which should form part of the Programme of the Society. Certain members had already shown interest in the scheme, and large donations had passed through the hands of the Hon. Treasurer of the Society. Also, early in January Miss E. M. C. Foggo had come from the Edinburgh Office to organize the West of Scotland on behalf of the Hospitals, and although not attached officially to the Glasgow Suffrage Society, she had the use of a room, telephone, etc., in the Society's Offices. In May, the Executive Committee drew up a scheme containing two alternative proposals, which they submitted to the Hospitals Committee in Edinburgh. The second of these proposals was gratefully accepted, viz.:— "That the Glasgow Society work Glasgow and the West of Scotland, including places which have Suffrage Societies, a joint Committee to be formed representative of the whole." The Hospitals Committee very kindly agreed to lend Miss Foggo as Organizer. The Joint Committee, now in full

working order, consists of members of the Glasgow Executive Committee, members of the Society, and representatives from thirteen of the eighteen Suffrage Societies in the West of Scotland, as well as representatives from districts where no Suffrage Society exists. This Committee held its first meeting on June 25th at 202 Hope Street, when Mrs Lander was unanimously elected Chairman, Dr Agnes Cameron, Vice-Chairman, and Miss M. C. Morrison, Hon. Treasurer, Miss K. W. Lindsay to act as Secretary, and Miss Foggo as Organizer. Splendid results have accrued from the formation of this Committee, each member without exception readily undertaking work in her Area, and the result of Hall Meetings, Lantern Lectures, Drawing Room Meetings, Summer Fêtes, Garden Parties, Whist Drives, &c., has been so satisfactory that the sum of over £2000 has been received by the Hon. Treasurer, and passed on to Mrs Laurie, the Honorary Treasurer of the Hospitals Committee.

### DISTRICT COMMITTEES.

The Hon. Secretaries report as follows:—*The Partick Constituency Committee* met twice during the past year. At the outbreak of War, it was decided that the money in hand should not be used for other than Suffrage Work. The Committee, however, felt that Partick members would like the funds to be used at this time of National crisis. The Hon. Secretary was therefore instructed to withdraw £30 from deposit receipt, and invest it in the War Loan—the balance of £5 14s. 6d. to be put in the Savings Bank in readiness for any emergency. The goods left over from the Café Chantant of December, 1913, valued at £16, were given as a donation to the College District Committee's sale in aid of the Scottish Women's Hospitals.

*College District Committee.*—At the outbreak of War this Committee decided to take up no special piece of war work, as most of the members were already very busy. However, at the suggestion of Mrs Gray, the Committee arranged to hold a Sale of Cake and Candy, Farm or Garden produce, Soldiers' comforts, Useful Domestic Articles, &c., on the fifth of November for the benefit of the Scottish Women's Hospitals for Foreign Service.

The *East Renfrewshire, St. Rollox and Bridgeton Committees* have not met since the outbreak of the War.

### MEETINGS.

In place of the usual Annual Meeting, a meeting of members was held in the Charing Cross Halls on January 17th, Mr Ballantyne presiding. Miss Lumsden, LL.D., gave an interesting address on "The War and After: from a woman's point of view." Miss Knight spoke on the work of the Cheer-up Clubs. The Annual Report and Financial Statement were submitted and adopted by the meeting.

A very successful meeting on behalf of the Scottish Women's Hospital was held in the Charing Cross Halls on Wednesday, November 25th, at 8 p.m., Colonel Denny presiding. The speakers were R. W. Seton Watson, Esq., and Miss Findlay, the latter taking the place of Dr Sarolea, who was unavoidably detained in London. A vote of thanks to the speakers and the Chair was moved by Mr Low. Colonel Denny promised a second donation of £25 in addition to the Motor Ambulance already given. A collection amounting to £22 5s. was taken on behalf of the Scottish Women's Hospitals; there were also promises of other donations.

A very successful Dramatic Entertainment, under the auspices of the Glasgow Dickens' Society and the Glasgow Society for Women's Suffrage, was held in February in the Athenæum: five performances were given to crowded houses, and after all expenses were paid, a sum of over £222 was handed to the Scottish Women's Hospitals.

*Serbian Flag Day.*—At the request of the Society, a Serbian Flag Day was granted by the Corporation of Glasgow. Two of the Divisions in Glasgow were undertaken by the Society, Miss M. C. Morrison acting as Convener for Pollokshields Division, and Miss Knight for the Central Division. The proceeds, amounting to nearly £4000, were divided between the Serbian Relief Fund and the Scottish Women's Hospitals in Serbia.

In addition to the above, weekly meetings were held in the office or in the Charing Cross Halls, when interesting addresses on the War and Relief Work were given by the following:—Rev. John A. Hutton, D.D.; Colonel Shaughnessey; J. Walton, Esq. (Navy League); Miss Marion Rutherford (Queen Margaret Settlement); Hon. Mrs Campbell; Mrs Brownlee; Miss D.

Spence Allan; Miss Morris; Rev. W. J. Street; John Mann, Esq.; M. Henri Verbrugghen; The Manager, Board of Trade Labour Exchange; Miss Alice Younger (Labour Exchange); Colonel Napier, M.D.; William Jones, Esq. (Burgh Insurance Committee); J. H. Jones, Esq. (The University); Dr Barbara Sutherland (Public Health Department); Miss A. Stuart Paterson, LL.A.; Robert Bremner, Esq.; Miss Alison Cargill; Miss Marion Blackie; Rev. R. W. Thompson, M.A.

### COUNCIL MEETINGS.

The Glasgow Society was represented by ten delegates at the Annual Council Meetings of the National Union of Women's Suffrage Societies, held in London, in February, and by fourteen delegates at the Special Council Meetings held in Birmingham, in June, two of these being proxies supplied by the Birmingham Society.
