Feb. 4 1869

AL/2155

My dear Sir,

I shall be very happy to  
see Mr. Fawcett's paper on Fox;  
- but I must ask her to  
remember that the unpopularity of  
ordinary magazine readers will not  
endure long articles. We do not  
like anything over 15 pages, and  
prefer 12.

very faithfully yours

Anthony Trollope

Your letter has only reached me  
to-day.
