Dear Miss Strachey.

The Declaration
Committee is most grateful
for your kind offer to
allow us the use of
your committee room.

We shall be only too
glad to have so suitable
a place to work in.

We have arranged that

Certain members of the
committee shall write
the cards at home & if
possible meet about
every fortnight at your
office to do the sorting.
May I tell the workers
to send the cards ready
for sorting to your
office? It would be
simpler than sending them
to me first. And they
would be perfectly safe

in your care.

Again thanking you
for helping as well in
this matter.

Yours very truly,

Maud Powell.
