

Jan 18. 16. No. 2.

DURBINS,

GUILDFORD.

My dear Pippa 4308

Just as I was
posting No. 1. Yr. letter
came - ever so nice a one
that I can't answer now as
I must get this off at once.
You'll see that Pamela's being
able to come may make
a difference. I do hope you
will come for myself & also
for poor Helen. Daddy who very
feels she can't come and be
alone here so do let me know

if its possible. But don't
decide against
it till the last.

In any case Monday to Wed.
might do or a little later in
the week I can keep on here till
the 27th [it is so nice in this
house [I shall never have a
place [to invite you to again
Your letter is good for me.

Yrs Roger
