My dear Tom

I was indeed rejoiced
to get your wire, which came up on
my breakfast tray this morning.
It is most cheery, and you must
be thankful all is well over.

I wonder what Mike thinks of his
little sister! I had a card from
Molly Withington the other day, she
begged me to let her know if I
had news of Tom, so I am writing
to her. The "Constitution" was expected
at 2 1/2 past yesterday, so I am hoping
for news during the day.

Your wire came via Liverpool -

My dear love to your mother. I am
pleased to think I am now not the
only Miss Becker!

Ever your loving Aunt

Essie
