Dear Lin

I cannot tell you
^{how} sorry I am that we cannot
have even a scrap of Rose
Bonheur's. I am delighted
that Yvonne Peyrol will send
to us, and I have this day
written to Mr. Herbert and
Mr. Hargitt, requesting the
loan of some more of her's.
I earnestly hope that Mr.
Petit has had some success
for us with Madame Brown
as she would be No. 1 in

our
Exhibition. I can not too
highly if we can only get
her to send something -
Please let me know as
soon as possible what
pictures we may expect
from Paris, and do not
let them be late in arriving
they ought to be in London
by the 10th Jan^y and if
left at Pickford's till
called for I will send
down for them, or you

time for having them sent
up: if you will kindly
let me know -

Offering you the
compliments of the Season
I am dear Sir
Yours faithfully
Edw Dundas Murray
