32 ADDISON ROAD,
KENSINGTON, W.

June 25/96.

Dear Mrs Fawcett.

I feel as if I were going
to be made Prime Minister in
the House of Lords, with you
leading the House of Commons.
If I did not think of position
really the most important, I
should be abashed at such pro-
motion.

Seriously if we are the better
of having a President, you

think I am the right
person, I can have no ob-
jection, I feel the honours
I really don't think I have
done very much of the cause.
I steadily refuse to go about
speaking, I have heard West-
Hall described as "a great
scandal!"
I hope being in the Chair, I
am not to propose myself
as President, that wd be

too much of my burning
blushes. Yrs ever sincerely

Francis Salfer
