Dear Aunt Pippa

My Son Cricket has been very ill with whooping cough and lost the use of two legs for a week, an operation has been performed and he is progressing favourably we hope that the use of his limbs will return. Your son is in

the 2nd stage and he
carries about a china ⁷basin
in his pocket. Love from Uncle
and Father

Good bye

Your affectionate
Nephew

Dear Mother

Uncle James is very kind to me
 he made us: i.e. Sonny, Bicket, and
 myself exquisite ^{its} silver collars

I must now go and see how Bicket is

Good bye
