My dearest Mr. Harvey
Thank you for your most kind
letter. I am so sorry this
letter did not get sent,
I enclose it in case you
thought me ungrateful.
If you know any liberals
here do send me their
names. It feels a big
world - This monogram
was drawn by my Father for
my Mother -

What will happen about
the Yorks presidency? who
should we have - will
you not be president?

Yours affctly

Cecilia Roberts
