Dear Mr. Simpson

On looking over
the slides. I find 3 are
missing. The map of
the whole Continent
with the British Isles in
the corner. No 25 The
porters having their
lunch + No 86 The
escort of 5 soldiers
I shall be so much

Obliged if you can have
them looked up as soon
as possible as I want
them for next Monday.
Are there any interesting
travel lectures coming
on this season? I forgot
to ask Dr. Keltie when
I saw him the other day.

Yours Sincerely
Mary Hall
