Sunday

Dear Mrs Fawcett - 1.15

I will come Thursday - 1  
I am vexed to be away  
when enclosed subject is up.

~~Do not write to Mrs Fawcett~~  
surely we sh. do or say no-  
thing. These women never  
quote us. We might ask  
Zea, or I might write pri-  
vately to C. B. but don't let  
us do anything in public.  
I remember Punch's Secord

Cartoon? Quite distinct quick  
ling the set of women.. Do  
so or do something to prevent  
any public ~~of~~ reproduction

---

I am on the rapid mend,  
in spite of perpetual snow  
storms & a white world!  
I will say all I want  
when we meet re H.S.'s

Life, I feel you have  
put in to words my own  
undefined discontent, but

I have more to say.

Yrs affly
