Dear Mrs Badley,

It is very good news that
you & Mrs Lute can
help at Beemondsey.

You will enjoy it, for the
people both men & women
are so friendly to our cause

r to us. Will you please go

to the Committee room. You

will find our values

expect you.

Thank you for your last letter
about my brother. Unhappily,

You are right about his

illness, but changing doctors

is so difficult. If I

find that Dr. Horn is

successful with me I

shall feel more able to

suggested a change. Perhaps to have

do with another doctor. (Tomorrow)

So far the 2nd time to him. Harry's present
doctor is very good & is very fond of Harry & gives him his
best care.
It is not worrying this question

of the right medical treatment. Harry

is not making progress for the moment.

He has less pain & sleeps
better.

Very sincerely yours,

Christal Pankhurst

In reply to your question about the ^{petition}
P.S. we like you to work
for us best naturally,
but we do understand
the bond between you &
Mrs. Fawcett & the workers.
What a pity they don't adopt
ours by election policy.
