My dear Madam

I am extremely
pleas'd by your note
and offer to assist
me in discussing
the important question
of the value of human
life before the
social concepts
of Pyriolal - Feb 9
I have placed the

Walker in his Belfast
Walter to whom
I make some brief
reference to the
substance of
having it forwarded
my name from
London & now
forwarded to
some further writing
part of this subject
has delayed my
reply to you

immersion in
which you tell me
you have sent me
a book of yours
but I have not
received it probably
from being away.

I am
Yours truly
Wm. C. C. -
I need hardly say to
you who feel so
warm & Christian in

Interest in these subjects

How very important in
it would be to circulate
in these W^h publications of

The story of a woman

required for the more

substances of God's

great gift of life &

who have struck death

& suffering equally

with ourselves - I have

in that mysterious dispensation
