18. Endsleigh Gardens
N.W.

Feb. 23rd.

My dear Miss Kildy

So forgive
the delay in sending
your receipt.

I put your P.
order on one side
waiting for a
quick-moment,

and I may say
it has hardly
come till now.
I have had the
Mansion House
Relief Fund on
me for 10 days
and that is enough
to destroy every
other consideration!
Happily at last

a committee is formed
and so by degrees
I am getting relieved
a little.

With thanks,

believe me,

very sincerely Yrs

WMS Bunting.

Our Nat: Vigilance
Assⁿ hope to hold
a conference on March 10.
