Dear Amy,

So many thanks for your letter
and also for the lovely asparagus
you kindly sent us. I think I
have had your birthday rolls
in me as far as you are
concerned, with flowers, letter
telegram & also the excellent
asparagus.

If you are taking the Women's Tribune
you will see a little article by me
about Mr. Seddon which I think
will interest you.

Nothing more of the expected
arrival of Roland junior from

N. 2.

We have

heard again from Edmund & Ellen,
quite good news of the former.

They sent me No 2 of Johnnie's
articles which we will forward
to you after we have read it.

This one is unadulterated Johnnie
and she was I + Ed. with a good
many flowers of rhetoric omitted.

I suppose an ayll soon now to be
hearing from Johnnie after his arrival
in Melbourne.

With dear love to Uncle Angus

Yours

Ever your lovingly

W. Stewart
